

PREFACE

Having concentrated much of his studies on matters concerning the Tabernacle of Israel, Bro. Anton Frey of Staten Island, New York, also delved deeply into the conditions of Israel during the time of the Tabernacle's use. This resulted in a lengthy series of discourses on Israel's "Wilderness Wanderings."

While the notes in this volume are not a transcript of these discourses, they cover the same material in an abbreviated manner.

It is with a desire that these lessons drawn from this significant period of Israel's history will be of spiritual assistance to "the household of faith" that the publishers put forth this publication.

1 Corinthians 10:11: "Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come."
